Why do we have to keep changing?!?!

Why is everything so different?!?!?!

Both are questions that I have heard lately. Actually, I have heard those questions for over 20 years in ministry. Why change? It is simple really; if we do not change we will become obsolete. We change all the time in our lives: we change what we wear; we change what we eat, we change what we drive; and we change our hair. Recently, I came

across an article by Elaine A. Heath, who is the dean of Duke Divinity School. She says: *We, the church, have to make a choice day by day to get over ourselves or we will miss God's call. Getting over ourselves means trusting God while we learn new skills that are grounded in ancient wisdom. It means letting go of habits and comfort zones that we label "tradition," but which keep us from embracing the real tradition—aligning ourselves with God in Christ who is making all things new.*

We in the church are not necessarily very good at letting go, but if we don't, if we continue to cling to old ways of doing things, we fail our calling to bring about God's kingdom. Heath continues by saying: *We are in the middle of rapid, unprecedented culture shifts that are driven by changes in communication and information technology, economics, political upheaval, religious turmoil, and escalating violence. In this context many people in the inherited church live in a state of grief because of the increasing failure of their programs, activities, and worship gatherings to make a difference. What used to work in reaching neighbors with the gospel, no longer does. Because of the anxiety of failure in the system it is increasingly difficult for declining churches to imagine a lively future that looks different from a lively past. The thought of taking risks, of concerning itself more with its neighbors than itself is terrifying to the stuck, backward looking church. This is the church that must now get over itself.*

I love the idea that we must get over ourselves, the changes that we must make are not just a worship style. *It is not one thing. While many of the communities love ancient, traditional liturgy such as Evensong, and a great many are sacramental, some of them are so loosely organized as to seem scarcely more than a handful of friends, gathered around the Bible and a good craft beer. On the whole there is much more commitment to engage issues of social and environmental justice than is the case in the average inherited church,* Heath concludes.

Worship Schedule for August

We continue our series on the *Gospel According to Disney*.

- August 7 *Pocahontas*
- August 14 To be announced
- August 21 *Lilo & Stitch*
- August 28 *Zootopia* and our Animal Blessing Service

All Creatures Great and Small

On Sunday, August 28, we will hold our annual Animal Blessing Service outside on the church lawn. Pets should attend on a leash or in appropriate carrier. While some chairs will be provided, feel free to bring along lawn chairs, if you have them. In the case of rain, the service will be held in the church sanctuary, without animals.

We NEED you.
Can you HELP?

In a thriving family everyone helps. Each Sunday it takes a crew of volunteers to make our worship service successful. We have a new Sign-up bulletin board outside of Dale's office next to the CARERS trunk. This is a one-stop sign-up area for all opportunities to serve on Sundays. **Anyone** ... not just members, not just adults, not just commissioned elders and deacons...but **anyone can serve in any of these roles**. So pick a week and a job and sign up! The office will send you a reminder and instructions for the job. If you have any questions, feel free to reach out to Susan Lynch, co-chair of the Worship & Music Committee.

Finance Help Needed

The Finance Committee accepted with regret the resignations of Cindy Reynolds and Roberta Gates as Financial Secretary and Assistant Financial Secretary for RPC. Cindy has volunteered her time as the Financial Secretary for 13 years, and Roberta for six. During their time, they have converted the membership database and fellowship records from a manual process to a streamlined, electronic process, among many other contributions. Their efforts are appreciated and will be missed.

If you would like to volunteer to help count the offering please speak to Ellen Hamilton or Pastor Dale.

Memorial Committee

The Memorial Committee is pleased to announce the purchase of one of the three AV Monitors with stand and cables for the Sanctuary. We wish to thank all those who have made donations to the Memorial General Account over the years since it is from these gifts that this purchase was made.

What are Those Deacons Doing?

We all know the story of the good Samaritan, but this past June the deacons took it to a much bigger level. On June 29, the Village of Riverside Police Department, and the Riverside Presbyterian Church held a meeting to bring awareness to the heroin problem in the suburbs. Spearheaded by Steve Marcus and David Harper, the police department was contacted to set up an educational meeting to discuss how heroin is no longer a city problem, but has reached out to the suburbs. There were two items that really caught my attention. Everyone whether they know it or not, knows someone who is taking heroin, or knows a family affected by it. Second, we've all seen police cars that read on the back that this car was purchased by assets seized in drug arrests. That is no longer happening. People are not driving to pick up their drugs, they are using mass transportation. Once the train stops in drug neighborhoods, the buyers are escorted by gang members to and from the train so the heroin can be purchased. It's sad, and it's getting worse. There was a lot of information given, and it is reassuring to know that the Riverside Police department is acting on it. It should also be noted that Diane Chaney was present to answer any medical questions.

Sharing our Gifts

CARERS Corner

The First Presbyterian Church of Chicago, along with Woodlawn Ministerial Alliance, started a food pantry in the 1970's. The food pantry and a weekly hot meal program continue to this day, with the support of partner congregations, including our own. These programs meet the needs of 300 people in the Woodlawn community each week. Canned goods needed this August are meat, vegetables and fruit.

Presbyterian Women Donate

The Presbyterian Women donated \$325.60 to the Presbytery Women—Presbytery of Chicago, for four projects that support the critical need for education and healthy environments in the areas they serve:

- ◆ A school for girls by *Building Minds* in South Sudan;
- ◆ *Heartland 180*, a core values and life skills training program for at-risk youth in Overland Park, Kansas;
- ◆ *Habitat for Humanity's* repair of manufactured homes in the East Bay and Silicon Valley of California;
- ◆ DART's *Closing Off the School-to-Prison Pipeline Program* in mid-Kentucky, Scioto Valley, the James, Charleston, and Greater Atlanta Presbyteries.

We are halfway through our year of pledges and donations. Between financial donations and donations of time and talent we are doing well. The success of the preschool, youth mission trip and the Vacation Bible School science camp were due to considerable contributions of time, talent and donations. May the second half of the year show even greater commitment to God's work. Thank you all.

Vacation Bible School

This year's Science VBS was a smashing success! With 23 kids in attendance, we spent our mornings studying rocks, creating slime, making elephant toothpaste, and so much more! The kids learned how science and faith are interconnected and had a great time while doing it. Thank you to all those who volunteered their time, as well as those who donated items. We could not have done it without your support.

Mission Trip

The RPC Senior High youth embarked on their 2016 Mission Trip to Martin County Kentucky with the Appalachia Service Project on a hot and sunny morning on June 25. We trekked to Columbus, Ohio, where we stopped at the Gauen household for food and fellowship, as well as an exercise from ASP designed to prepare us for the trip ahead. We stayed at the First Presbyterian Church of Westerville, Ohio for a night and were treated to breakfast at the church the following morning. We then made the journey down to Kentucky.

What followed was a week of intense work and labor on two houses in Martin County, Kentucky. We split into two teams, team *Phish Food* and team *Tonight Dough* (named for Ben and Jerry's ice cream flavors, by the way!). Each crew worked on separate projects that included building a new deck, underpinning houses, digging holes, pouring concrete, finishing trim around living rooms, painting, sawing, cutting wood, drilling and doing all sorts of other activities.

We met amazing people as well. We paired with a group from Trumbull, Connecticut, and met two amazing families who welcomed us into their homes for a week. We learned an ASP saying, that the Appalachia Service Project is about relationship building, with home repair on the side.

Thank you to the amazing adult leaders who joined us on this trip: Cyril Friend, Lisa Aulerich-Marciniak, Doug Harvin and Sandy Kappmeyer, who were instrumental in such a successful, fulfilling week. Thank you to Abby, Alyssa, Kaki, Michael, Sylvia, Eva, Rachel, Laura, Natalie, Kip, Josh and Olivia for your hard work, your compassionate hearts, your patience and your talents on this trip.

Children & Youth

Sunday School/Youth Group Kick-Off

Join us as we kick off the new year of Sunday school on September 11 at 9:00 a.m. We'll be traveling through the Holy Land this year. Come and get your passport's first stamp and celebrate the start of the new school year!

Youth Group (both Junior and Senior High) will start back up with the Sunday School season on September 11. The Girls Group will meet the week of September 12.

Scouts

Troop 24 sent 47 scouts and 13 adult leaders to summer camp in Wisconsin in July. We also had one scout serving at Camp Tesomas as a camp counselor. Eight scouts spent a week backpacking on Isle Royale (pictured below), and eight members of our Troop went on a 4-day ATV trek. Troop 24 is one of the largest troops in the area, and will celebrate its 100th anniversary in 2017. RPC has sponsored Troop 24 since 1939.

Stuffed Animal Drive

Elijah Ourth would like to thank you for your donations of stuffed animals for his Eagle Project. He collected over 800 animals, which will be going to pediatric patients at the Cicero Health Center.

Presbyterian Women Bible Study

Who is Jesus? What a Difference a Lens Makes, by Judy Yates Siker, with Suggestions for Leaders by Patricia Lynn Miller.

Gathering: Wednesday, August 26, 10:00 a.m. in the RPC Social Hall.

Halfway through the Gospel of Mark, as Jesus and his disciples are on their way to Caesarea Philippi, Jesus turns to his disciples and asks, “So, what’s the word on the street? Who do people say I am?” Now that’s a good question. It is such a good question that we, as

The Healing of the Blind Man at Bethsaida
Mark 5:22-26, Julie Stankova, 2010, Bulgaria

Presbyterian Women, are going to spend this study raising that question again and again. We will look for the answer in some likely—and unlikely—places. Of course, we will listen to how our four Gospel writers portray Jesus. They are, after all, our foremost authorities on Jesus in the scriptures. We will also see how the apostle Paul describes Jesus to the members of the early house churches as they struggle to understand what it mean to be Jesus’ followers in the ancient polytheistic world.

Lesson 1: According to Mark

Background Scripture: *Mark 1-8*

Key Scripture: *Mark 8:27-33*

Key Idea: Jesus is not the Messiah they expected, but he is indeed God’s Son.

Lesson Leader: Elizabeth Musick

Left: At the conclusion of their 2015-2016 Bible Study, the Presbyterian Women’s recognized their leaders for their devotion and outstanding leadership.
