

## Letter from the Pastor

Friends,

Last night, at its regularly scheduled meeting, the Session took action on recommendations from the In-Person Task Force. The recommendations took several factors into account:

1. An advisory opinion from the Presbytery of Chicago Coordinating Commission (a group similar to the Session for the Presbytery) suggesting that the earliest congregations should consider returning to in-person worship is August 30.
2. RPC has much lower attendance numbers during the summer months.
3. Most importantly, the results from the survey that over 59 of you filled out. The survey results showed an overwhelming number of those who responded wished to continue worshiping online until it was safer to return to in-person worship.

Based on those factors, the Session has:

- Suspended in-person worship through August 30.
- Decided to keep the entire building (including the gym) closed to all gatherings through August 30. The only folks allowed in the church building are staff and stockers for the Little Food Pantry.
- Postpone the Strawberry Social scheduled for July 15 until September 16.

These are hard decisions to make. I, for one, am anxious to have life return to a semblance of normal. But even more, I want us all to stay safe and healthy. Please know that these new dates are all subject to review, and both the Session and In-Person Task Force continue to monitor recommendations from denominational leaders and health experts.

Along with the Session, I want to thank you for your commitment to RPC. This difficult time has shown how strong we are as a congregation. Many of you have expressed concern about finances. I have invited Ellen Hamilton, our treasurer, to use this space next week to give you an update. But I can share that we are making a \$50,000 payment on our Capital Campaign Loan!

I look forward to "seeing" all of you on Sunday.

Peace,  
Dale

**For information on joining worship on the internet or phone please see the bulletin.** Worship is offered on our YouTube channel, and folks can join us on their telephone via Zoom. If you don't have a computer or tablet but do have a "smart" TV, you should be able to go to the YouTube channel on the TV and watch the service. If you would like a DVD of the service please contact me. The entire RPC building is closed. There are no in-person meetings and the only people allowed in the building are those stocking the food pantry and staff on an as-needed basis.
