

Friends,

One of the many things I have discovered during this time is the number of rumors that circulate about what is safe and not safe when we can meet, are churches somehow exempt – etc. What I know is that through May, we are not having in person worship and I expect that will continue to be the case for at least part of June. While I cannot wait to

see all of you on Sunday morning, I also want us all to be able to gather as safely as possible. At its regularly scheduled Session meeting the Session will begin to put plans in place for what worship will look like when it is safe for all of us to be together again. Until then we continue to offer worship services on our YouTube channel, and folks can join us on their telephone via Zoom. And remember that if you don't have a computer or tablet but do have a "smart" TV, you should be able to go to the YouTube channel on the TV and watch the service. If you would like a DVD of the service please contact me. Both Men's and Women's Forum meet via Zoom as well as Theology on Tap. The entire RPC building is closed. There are no in-person meetings and the only people allowed in the building are those stocking the food pantry and staff on an as-needed basis.

Pentecost is May 31. We will be celebrating virtual communion again and in the next couple of weeks I will provide details for how we will conduct worship on that Sunday which I hope will be a big birthday party for the church!

As always, if you are ill or unable to leave your house and need anything, please call me at the church office and leave a message on my voicemail, call my cellphone, or email me at [pastor@rpcusa.org](mailto:pastor@rpcusa.org). You can also call your Deacon. Know that I am keeping all of you in my thoughts.

If you would like to stop receiving the weekly packet delivered by the post office please contact Linda in the church office.

Peace, Dale

**For information on joining worship on the internet or phone please see the bulletin.**
