**JANUARY 17, 2021**

**NEW WORSHIP SERIES** began Sunday, January 10, 2021.

Life is a series of exclamations from “O No!” to “Help!” to “Oh Yeah!” We can swing between disappointment, helplessness, and gratitude on a daily basis. There are also seasons of our lives when we feel inundated with more of one than the others. As we enter the new year, we had hoped we would be past the “O No!” of the last several months.

Instead we find ourselves with ongoing

prayers for “Help!” The Book of Psalms knows all about this. Written over a span of time from exile and isolation to the rebuilding of the community, the poetry of the Psalms will accompany us in this series, reminding us that through it all, we can trust and even give our thankful “Oh Yeah!” because God is, indeed, holding our lives.

### **THEOLOGY ON TAP** Begins

Monday, January 18, 2021. Our study is called *A New Family: Throwing Open the Doors of the Sanctuary*. Through her writing and speaking, Rachel Held Evans’ work opened a space for people to become involved with the evolution of their faith by example.

She strived to be grace-full while admitting her imperfection. Her advocacy was for the heart of God which is for the people of God. All people, a diverse bunch of clumsy-yet-beautiful people of different races, cultures, beliefs, faiths, genders, and sexual orientations just doing our best to be human. She was a person who reached for the outsider and brought their voice and perspective into the fold. She inspired change and sometimes provoked resistance. But as she says in this series, her hope was to start more conversations than end them.

**HEIFER INTERNATIONAL**—For more than 75 years, Heifer International has worked with people all around the world to end hunger and poverty and care for the Earth. It begins with a seed investment of livestock or agriculture, followed by mentorship to help project participants build a business, and ultimately to gain access to supply chains and markets. These families are able to earn a living income and continuously lift up their communities as they train the next generation of leaders. By supporting and training the world's farmers, ranchers, and female business owners, we're investing in a new breed of success.

**OFFICE CLOSED** —The Church Office will be closed Monday, January 18 in honor of Martin Luther King Day.

The inaugural committee for President-elect Joe Biden and Vice President-elect Kamala Harris is holding a Memorial for the more than 343,000 people who have died due to the pandemic. As part of the Memorial, churches across the nation will ring their bells at 5:30 p.m. (4:30 p.m. CST) on January 19 as

“a national moment of unity and remembrance.” As RPC’s bell joins bells across the country, I invite you to a moment of prayer.

*Loving God, we thank you for the beauty of the creation in which we live.*

*We thank you for your goodness to us, your steadfast love and mercy, and your unending grace. During this time of fear and anxiety, hear our prayers.*

*We pray for all of those who are ill around the world because of this virus.*

*We pray for all of those who grieve the loss of loved ones who have died because of coronavirus and ask that you give comfort to their loved ones.*

*We pray for all the first responders who are working on the front lines of this crisis: doctors, nurses, medical personnel, researchers and public health officials, and we pray for your wisdom, strength and guidance for those who seek to provide relief.*

*We pray for the most vulnerable of our neighbors, locally and globally, who lack adequate health care, income, and support systems in this time of crisis. May we practice compassion and reach out to those most in need in our community to provide help as we are able.*

*We pray that you will calm our fears and quiet our spirits.*

*Remind us that you are with us in every moment.*

*Remind us of the truth that in all times and all places, we belong to you.*

*Amen.*
