**JANUARY 10, 2021**

**NEW WORSHIP SERIES** begins Sunday, January 10, 2021.

Life is a series of exclamations from “O No!” to “Help!” to “Oh Yeah!” We can swing between disappointment, helplessness, and gratitude on a daily basis. There are also seasons of our lives when we feel inundated with more of one than the others. As we enter the new year, we had hoped we would be past the “O No!” of the last several months.

Instead we find ourselves with ongoing

prayers for “Help!” The Book of Psalms knows all about this. Written over a span of time from exile and isolation to the rebuilding of the community, the poetry of the Psalms will accompany us in this series, reminding us that through it all, we can trust and even give our thankful “Oh Yeah!” because God is, indeed, holding our lives.

### **THEOLOGY ON TAP** Begins

Monday, January 18, 2021. Our study is called *A New Family: Throwing Open the Doors of the Sanctuary*. Through her writing and speaking, Rachel Held Evans’ work opened a space for people to become involved with the evolution of their faith by example. She strived to be grace-full while

admitting her imperfection. Her advocacy was for the heart of God which is for the people of God. All people, a diverse bunch of clumsy-yet-beautiful people of different races, cultures, beliefs, faiths, genders, and sexual orientations just doing our best to be human. She was a person who reached for the outsider and brought their voice and perspective into the fold. She inspired change and sometimes provoked resistance. But as she says in this series, her hope was to start more conversations than end them.
