CALL TO WORSHIP (Responsive)

When fear and doubts stroll through our doors:

**God stands beside us, whispering of peace.**

When we toss and turn late at night:

**God sits by our beds, singing lullabies of love.**

When we stumble through the shadows of sin:

**God illuminates the paths of goodness and joy.**

\* HYMN 300

*Down to Earth, as a Dove*

\* INVITATION TO PRAYER

\* PRAYER FOR WHOLENESS (Unison)

**God of empty tombs: Peter speaks with power and clarity of his faith, while we remain silent. The psalmist speaks of trusting in you, while our doubts overwhelm us. Jesus is ready to come and grace us with peace, but our fears keep our hearts shuttered and locked.**

**God of full hearts: your love can change us from scared people to children of grace. You can weed doubts from our hearts and plant seeds of joy in their place. You can silence the panic of our souls with the peace Jesus offers to each of us. Transform us into your people. (Silent prayers)**

**And also with you!**

Lift up your hearts to God, whose steadfast love dwells within you.

**Monday, Sept 9 – 6:30** - *Trigger: The Ripple Effect of Gun Violence* is a documentary that frames gun violence as a Disaster and Public Health issue by taking an in depth look at how one shooting impacts individuals, families and communities, while also giving voice to the questions and insights that arise from these conversations. In the documentary, all those scarred by gun violence eventually arrived at the same question: "Why...Why did this happen to us?" After looking at these in depth experiences of gun violence "Trigger turns its attention to the bigger question: "What can we do to prevent gun violence?"

**Monday, Sept 16 - 6:30 pm** - *Locked in a Box* is an award-winning short documentary that follows the stories of individuals held in the U.S. Immigration detention system and those who visit them. The film traces the lives of individuals who fled their homelands in search of safety and freedom only to end up in U.S. prisons under a mandatory bed quota system run by Immigration Customs & Enforcement (ICE). Since the 1990's there has been a massive expansion of the immigration detention system up to 34,000 immigrants in detention on any given day in approximately 200 different facilities, many of which are for-profit prisons. "Locked in a Box" helps strip away the political rhetoric to see the human cost of detention.

**Monday, Sept 23 – 6:30** *To Breathe Free* . "Give me your tired, your poor, your huddled masses yearning to breathe free." *To Breathe Free* follows the 5-year journey of a Syrian family fleeing the war in Homs to the refugee camps in Jordan and starting a new life in Washington, D.C. Using home movies, phone video, family photos and interviews with family members and former refugees, this short documentary gives an intimate and unique perspective not seen in current media reporting on the refugee crisis. *To Breathe Free* captures the intersection of individual narratives from a family fleeing the Vietnam War in 1970, to the Syrian Conflict in 2017, to the families who help create a new home in our nation's capital, giving voice to our common humanity and the struggle that binds people together.
